

Data Sharing Commitment

1. Purpose

This document underlines Allied Vehicles Group's expectations regarding your commitment to safeguard personal data which we may share with you for the purpose of you providing products or services to us or on our behalf.

2. Definitions

In relation to any personal data that has been shared with you ('Personal Data'), Allied Vehicles Ltd ("Allied") is the data controller. You will also be an independent data controller of the Personal Data transferred to you.

3. Obligations

We take the protection of the personal data of our staff and clients and compliance with data protection legislation seriously and expect that you will also comply with your obligations under data protection legislation.

We expect the Personal Data:

- to be used only for the purposes for which it has been transferred to you;
- to be stored and transferred securely; and
- to be retained for no longer than necessary.

4. Breach

In the event of a personal data breach, or a suspected personal data breach, involving the Personal Data, we request that you notify us of the breach as soon as possible with the following information, where available:

- the nature of the personal data breach or suspected breach;
- the date and time of occurrence;
- the extent of the data and data subjects affected or potentially affected and the likely consequences of the breach;
- any measures taken or proposed to be taken to contain the breach or suspected breach; and
- whether you intend to report the matter to the ICO and/or the data subjects concerned.
